

# A Nice Trip

Last weekend, I went out with my family. We went to the train station at 3:19 p.m. on that day. We felt very happy because we were going on a trip.

On Saturday, we went to a night market. We saw many kinds of food, like fried chicken, hot dogs, stinky tofu, milk tea, and juice. Among these, we bought some hot dogs and milk tea. They were yummy. We also played many interesting games. My favorite game is the pinball machine. I enjoyed the time when I was playing it.

The next day, we went to a beautiful park to have a picnic. The park had many trees and a big pond. There were some ducks swimming in the pond. The weather was so sunny that we took many pictures. We enjoyed this trip. What an unforgettable trip we had!
