Hi Peggy,

I feel sorry that you and Tina had a fight. She used to be your best friend, but you two haven't talked to each other for a week. You told me you didn't start the fight. It was Tina. She stopped talking to you first. However, I think **you owe her an apology**. You can't take her book without asking her first even though she is your best friend. Perhaps you can write her a letter to say sorry if you're worried she's still angry with you.

Mom

Hi Mom,

I don't get your point. I told you everything about the fight. How could you ask me to say sorry to Tina? I didn't do anything wrong. She always told me, "You are my best friend. If you need anything from me, just take it." How come she gets angry this time?

Way Back Into Love

Hugh Grant and Haley Bennett

.....

I've been watching but the stars refuse to shine
I've been searching but **I just don't see the signs**
I know that it's out there
There's got to be something for my soul somewhere

I've been looking for someone to share some light
Not somebody just to get me through the night
I could use some direction
And I'm open to your suggestions

All I wanna do is find a way back into love
I can't make it through without a way back into love
And if I open my heart again
I guess I'm hoping you'll be there for me in the end
